allies immediately attacked and drove the to avoid a general strike. Chinese from their works, but her thirty. killed or wounded in so doing. The noncombatants are leaving Tien Tein and the opinion of a minority favors the military teaving also. Stories of colossal Chinese armies gathering continue to worry not only the rank and file, but the commanders, who somit the uncertainty of recommunications. and the complete almence of an effective intelligence department. Chinese information is received with extreme distrust. It is obvious that though there are many thousands of Chinese camped behind the guns, nothing can be done at present, except to wait the arrival of reinforcements. The rainy season has set in and this makes going into the interior difficult. The country between Pekin and Tien Teln in other years has been frequently flooded. River transportation is almost impossible and the railway is practically non-existent and

must be entirely rebuilt. Military opinion is unanimous that if the legations did not need relief it would be milish to attempt to advance before Septem-

The Daily Mail's Shanghai correspondent, under date of July 5, says: 'It is certain that if the powers make any movement elsewhere north of Takn they has decided not to go abroad before next must be prepared to meet opposition. A spring, contrary to the general impression Chinese official in high favor with Vicerus Liu Kun Yul says the southern vicerors are and the Passion Play at Obersminerasu this pnly bound to neutrality as long as they are not interfered with. They have more materials than they can use and the military forces all over the provinces are increasing The Fank-Tae-Kinng is mined with torpe-The garrison at the Shanghai arsens! has just been reinforced by two new recruited regiments.

Baron Hayashi, being asked by a representative of the Daily Chronicle.
